

Compliance and Ethics Week 2021

Schedule of Events

Monday, July 12th– Ethics Week Kickoff!

Members of the Area Corporate Compliance Committee will visit all Charities and Toomey sites, spreading a compliance message and bringing goodies for everyone! The theme this year is **Be a TRAIN ON THE COMPLIANCE TRACK!** Each day will have a new activity sheet you can complete for fun. Starting today, you can complete a fun training on ethics and the audit process. **NOTE:** If you find all the trains in the training and complete the numbered worksheet with where you found the trains, **you can win a gift card.** Monday also starts our clues for where Abe is “located” out in the community. Keep your eye out for clues throughout the week. **The first person to guess Abe’s location will get a \$50.00 gift card.**

Be a part of our Photo Collage and/or Video!

We would like for each program to be a part of our train. We will provide a template through email or we will provide a paper copy. We would like for each program to name it with a compliance

name and decorate it anyway you choose. It can be pictures, baby pictures, compliance related activities, program pictures etc. Let your creative juices flow. Take a picture of your photo collage and submit to aallen@ccoc.us so a PowerPoint can be created with everyone’s train.

- Other fun activities: Won’t you be a part of our Compliance Train? **Attention all programs:** We would like for you all to participate in our video contest. We are looking for each program or team members to create a video of you “doing the right thing” or something compliance or ethic related. Videos will be submitted to aallen@ccoc.us by the Monday of Ethics Week. A group of judges will vote on the best video and a team prize will be awarded.
